NANOMED EMJMD « Nanomedicine for drug delivery »

Institutional representative's form

The Erasmus + European Joint Master Degree NANOMED is an English taught, 24-months curriculum dedicated to the education of excellent young scientists in the emerging field of Nanomedicine for Drug Delivery.

This form must be completed by a representative person of the Institution where the applicant obtained a part or total of his/her Bachelor's degree.

You have been approached by one of the applicants to this programme; we would appreciate your personal evaluation of the applicant's scientific aptitude, intellectual ability and personal characteristics which would influence their potential success in an ambitious and international programme like NANOMED.

Please fill in the candidate's name and all other information requested in the form below. You can add any additional relevant information on the last page of this. **After having filled in all requested information, please print, sign, scan and send it to the student who will join it to his application.**
